QUARTERLY REPORT ENDING MARCH 31, 1945, ON WILLIAMS LAKE AGENCY

EDUCATION

Inspector McArthur visited the Cariboo Indian School during March and his report has no doubt been received by the Department by this time. Having been called out to the Chilcotin, I could not accompany Mr. McArthur on his inspection, but following his report, I paid a visit to the School some days later, and paid particular attention to the matters on which complaint was made and had the fire alarm sounded.

The children were very orderly in getting out of the buildings and were all out in under one minute. Fr. McGrath had already taken the locks off all the escape doors, the subject of a very legitimate complaint by Inspector McArthur. It is felt, however, that Mr. McArthur has exaggerated regarding the condition of the boys' dormitory, which has been painted up and is very considerably improved since last year. The improvements in this school since it opened last September have been very considerable, and are as follows:

Equipment: Laundry equipment, consisting of power washer and extractor, saving much time for the girls and improving hygienic conditions.

Vocational: Manual Training classes have been organized. Also Calf Club and Potato Club.

Recreational: The Pro-Rec. program has been continued. Three Skating rinks were maintained during the past winter, two for the boys and one for the girls. Hockey games were organized and matches played with boys from the Williams Lake white school.

A boys' fife and drum band has been organized by Brother MacDonald and is making good progress. Brother MacDonald, who commenced duties as disciplinarian last September, has been a great asset to the school, and there has been only one occasion of truancy since last September. The morale amongst the boys was very low during 1943-44 and a number of boys were expelled in June, so that I consider Brother

EDUCATION

An annex is under construction at the Cariboo Indian residential school to be used as an infirmary and for isolation purposes, which is long overdue.

I attended a concert of singing, dancing, pro-rec work and short plays put on by the pupils and found much improvement over previous efforts.

The Boy's Fife and Drum band took part in the Victory day Celebrations at Williams Lake, and they also headed the Parade at Quesnel for July 1st celebrations.

Williams Lake, B.C.,
September 25, 1945.

Major D.M. MacKay, Indian Commissioner for B.C., Vancouver, B.C.

Last year, a band was organized for the boys at the Cariboo Indian Residential School, which has proved a great attraction to the school and has made a decided improvement in the morale, evident from the fact that there was less difficulty in getting the boys returned to school after the vacation this year than at any time previously.

The Cariboo School has supplied all the instruments to date, consisting of drums and fifes, but it would make the band much more balanced if they had bugles. It was suggested by Father McGrath that now that the Army is being demobilized, no doubt a large number of second-hand bugles would be available through the War Assets Corporation, and it was felt that the Department might be willing to supply or contribute to the cost of twenty bugles for the School.

Memorandum:

DEPUTY MINISTER.

A request has been received from the Principal of the Cariboo Indian Residential School, Williams Lake Indian Agency, Province of British Columbia, for 20 bugles for the Boys' Band at the school.

The school management has supplied a number of instruments consisting of drums and fifes, but it is pointed out that the Band would be much more balanced if they had bugles. It occurred to me that these might be secured through the War Assets Corporation, and I would appreciate it if you would make enquiries and advise me.

With reference to your letter of the 2nd October, 1945, in connection with supplying twenty bugles for the boys' band at the Cariboo Indian Residential School. We wrote to War Assets Corporation immediately and they have just replied.

They state that they are unable to meet our requirements at the present time but our request has been registered and if any bugles become available we will be notified. This is very indefinite but I cannot see where we can take any other action just now.

Williams Lake, B. C.
April 18, 1946

Major D. M. MacKay, Indian Commissioner for B. C. Vancouver, B. C.

Enclosed herewith is a requisition for musical instruments for the Boy's Band at the Cariboo Indian Residential School.

This Band was started by Brother Mac Donald about 18 months ago with some old second hand fifes and a few new cheap ones purchased from Eatons. Some of the drums were purchased and some home-made. In any event this effort has been of inestimable value in building up the morale of the school which was very low.

So far the band has been strictly drum and fife but the addition of the bugles would balance it up much better especially since Brother MacDonald has also got the Boy Scouts organization going and an effort is to be made to start a Girl Guides. The old fifes are not much good now and Brother MacDonald and the Principal, Father McGrath have both approached me to see if the Department will purchase bugles and fifes, quotations for which have been received from the Vancouver Drum Company. Terry's Music Store have only quoted on Bugles as they had no Fifes in stock at the time but may have by this time.

The school has supplied all these boys in the Band with a uniform at considerable expense in addition to the instruments already purchased and I would strongly recommend that the Department authorize the purchase of all or part of this equipment.

Ottawa, May 1, 1946.

Major D. M. MacKay, Indian Commissioner for B.C.,
P.O. Box 70, Vancouver, British Columbia.

I have your letter of the 23rd ultimo, with reference to purchasing musical instruments for the Cariboo Indian Residential School.

As you know, this is a church-owned school. A specific amount is provided in the case of each church-owned school and we are not allowed to exceed that amount. In the current year's appropriation an amount of $500.00 is provided for the Cariboo School. If the management wishes to secure the musical instruments at a cost of $385.00, this Branch has no objection and you may arrange for the purchase. However, it should be understood that the amount mentioned will be charged against the amount provided in the current year's appropriation.
