twin cylinder engine, direct, connected to 3 K.W. 110
Volt direct current generator, complete with switch-
board, etc., \$1500.00; of Silverman & Zaidman, Winnipeg,
for complete wiring and lighting equipment, \$1500.00;
and Delco Light No. 316, 3 K.W. outfit, with 150 Amp. hours
storage battery 56 cells assembled in glass jars, F.O.B.
Winnipeg, \$2175.00; that the Architect of the Depart-
ment of Indian Affairs states that of the three complete
tenders that of the Standard Heating and Plumbing Company,
the lowest, is a fair and reasonable one for the work to
be done.

The Superintendent General therefore
recommends, pursuant to the requirements of Subsection 2
of Section 36 of the Public Works Act, that the contract
for the installation of the above mentioned electric
lighting system be awarded to the Standard Heating and
Plumbing Company, the lowest tenderers, for the amount of
their tender as above cited, namely, \$4256.00, provision
therefor having been made in the Vote for Indian Education,
No. 505.

The Board concur in the above recom-
mendation and submit the same for favourable consideration.
