Reverend Sir,-

The Department is in receipt of the examination report form in the case of Catherine Mitchell requiring sanatorium treatment. Information contained therein would indicate that this girl has a fair chance of recovery under proper treatment. It will be appreciated, therefore, if you will arrange for her admission to the institution at Kentville as suggested. The hospital should be informed that this Department will be responsible for maintenance at the customary rate charged for Indian patients. You will be re-imbursed for expenses incurred, including any clothing required, upon presentation of an account, in triplicate, supported by receipts.

E.H.

Kindly be good enough to notify this office of the exact date of admission and the name of the hospital that accepts the patient.
