Dear Father Mackey,

We are ordering your drug requisition of December 1st with the following exceptions:-

Mercurochrome solution would freeze at this time of year. You will receive a vial of mercurio-powder which the Doctor can dissolve.

Bichloride of mercury tablets are not supplied. You will receive chlorazene which is not poisonous.

Larkspur lotion cannot be had. See our recent circular on vermin, copy of which is enclosed.

Fruit salts are not supplied. I have increased the amount of sodium phosphate.

Caustic silver sticks - 300. Is this not a mistake?

It is directed that requisitions for drugs be certified by the Medical Attendant.

Yours truly,

E.L. Stone, M.B.
