Re: Squamish Residential School

Attached is a requisition forwarded to this office by Superintendent Taylor. To supply the materials requested on this requisition would involve an expenditure of approximately \$200.00. We do not feel that leather work has any great educational value, although it might be considered occupational work.

We are not prepared to allow all the articles listed on the requisition, but if you consider it advisable, you may arrange for purchase of leather work supplies at a cost not exceeding \$50.00.

If you decide to make a purchase, the account when forwarded should be marked "Pay from B.C. Special".
