

NOTES ON THE PREPARATION OF THIS RETURN

1. Fill in all the columns of this Return, giving full particulars in the case of each pupil, as called for under the various headings thereof.
2. The columns of the Return should be correctly added and the totals placed at the foot thereof.
3. When, owing to the number of pupils, all the names cannot be included on one sheet of the Return, use another sheet, paging it No. 2, and carry forward all totals, placing them in the proper columns.
4. The Returns must embrace only the quarterly periods ending 31st March, 30th June, 30th September and 31st December, respectively, and should be prepared and forwarded immediately thereafter.
5. No Quarterly Grant will be paid until Returns have been received by the Department.
6. The total number of days in quarter means every day in the quarter, including Saturdays, Sundays and holidays.
7. The aggregate number of days pupils in residence during quarter means the total number of days in residence of all pupils entered on the Return and is ascertained by adding the column under the heading "Total number of days pupils in residence during quarter".
8. The average attendance of pupils during quarter is ascertained by dividing the "Aggregate number of days pupils in residence during quarter" by the "Total number of days in quarter".
9. The amount per capita grant due for quarter is ascertained by multiplying the "Average attendance of pupils during quarter" by the amount of the quarterly per capita grant. In no case, however, will payment be made for any average attendance in excess of the number of pupils for which grant is allowed.

SPECIAL NOTE

A new number must be given to each pupil upon entrance to the school. On this Return the names of the boys and the girls must be arranged consecutively according to numbers.

NOTES ON THE PREPARATION OF THIS RETURN

1. Fill in all the columns of this Return, giving full particulars in the case of each pupil, as called for under the various headings thereof.
2. The columns of the Return should be correctly added and the totals placed at the foot thereof.
3. When, owing to the number of pupils, all the names cannot be included on one sheet of the Return, use another sheet, paging it No. 2, and carry forward all totals, placing them in the proper columns.
4. The Returns must embrace only the quarterly periods ending 31st March, 30th June, 30th September and 31st December, respectively, and should be prepared and forwarded immediately thereafter.
5. No Quarterly Grant will be paid until Returns have been received by the Department.
6. The total number of days in quarter means every day in the quarter, including Saturdays, Sundays and holidays.
7. The aggregate number of days pupils in residence during quarter means the total number of days in residence of all pupils entered on the Return and is ascertained by adding the column under the heading "Total number of days pupils in residence during quarter".
8. The average attendance of pupils during quarter is ascertained by dividing the "Aggregate number of days pupils in residence during quarter" by the "Total number of days in quarter".
9. The amount per capita grant due for quarter is ascertained by multiplying the "Average attendance of pupils during quarter" by the amount of the quarterly per capita grant. In no case, however, will payment be made for any average attendance in excess of the number of pupils for which grant is allowed.

SPECIAL NOTE

A new number must be given to each pupil upon entrance to the school. On this Return the names of the boys and the girls must be arranged consecutively according to numbers.
