Dear Mr Daly,

I send you herewith the answer to Mr McMullen's enquiries regarding Indian Industrial Schools in Manitoba and the North West Territories.

With regard to Emmanuel College which is included among the Boarding Schools in the last Annual Report I may say that it should properly be classed as an Industrial School as it receives a grant of \$100 for each of 20 pupils and is engaged in training Indians for the position of school teachers.

The schools at Birtle, Round Lake and St Albert were called Industrial Schools in the printed report instead of Boarding Schools.

The following statement shows the actual attendance at these schools at the present time, being a marked increase over the average of the year

year called for. The Boarding Schools at Muskeg Lake, and Lakesend are no longer in existence.
