A letter addressed to Mr. Ferrier by Reverend B.P. Fuller, Principal, Shingwauk Home, has been referred to me for attention. Mr. Fuller states that four pupils require to have their tonsils removed, and this authorizes you to make the necessary arrangements. In reporting to the Department the action taken, please state the names of the pupils operated upon. It would be well to have this attended to before the next school term opens.

Dear Doctor Mahood,

Would you be kind enough to have a look at this girl's eyes. I fancy that she suffers from eye strain, but you will know. If you prescribe spectacles, I think you should send her to Birks.

You will find enclosed a Schedule of Fees which sets forth the prices we are accustomed to pay and which are almost identical with those paid by the Department of Pensions and National Health. You may think them a bit low, but they are the prices at which we get the work done everywhere. Of course the average man doing work on this schedule gets quite a good deal of work, and I am not prepared to argue with you too much so long as you are reasonable.

Yours truly,

Dear Sir:

Mr Indian Agent Simm of Sault Ste. Marie is forwarding to your Department a requisition for Medical supplies for our school. I find very little of the simple remedies here, and the doctor has just been and advised some of the pupils getting extra nourishment.
