Mr. G.W. Down, Indian Agent, Muncey, Ont.

The Department is in receipt of a letter from Norman Seneca, requesting \$25 rental for Lot 14, Range 6, Township of Caradoc, which he states is leased to the Mount Elgin Residential School. We have reviewed our files and the last payment we made for the lot mentioned above was in 1939 and presumably this particular parcel of land has not been used by the school since that time. However, I should appreciate it if you would discuss the matter with the Principal and advise this office.

For your information I may say that recently the Department forwarded Seneca a cheque for \$25 rental for 27 acres of Lot F, Range 7. Our records show that we have paid this amount yearly.

Re Complaint, Norman Seneca
Mt. Elgin Lease

✓ Your letter of May 15th is acknowledged. After contacting Mr. Seneca I have to report that he made a mistake in the lots quoted. The old survey describes the property as Lot 14, Range 6, whereas to-day it is described as Lot F, Range 7. As advised in your letter, he has received rental covering the property. We may therefore consider the matter closed.

Wm. K. Cornelius and other Indians, having lands rented by the Department for farm use of the Mt. Elgin Residential School, have requested that rents be forwarded one month earlier. Usually these rents come through in May. It is suggested that one month earlier would be greatly appreciated, and give all concerned money to buy seeds for early garden and farm planting. If this can be arranged I would recommend the request.
