they

they agree as to quality, if you are satisfied that they do agree, you will receive and grant a receipt for them; if they do not (and you must be very certain on this point in order to avoid unnecessary correspondence and delay in payment) you will decline to receive them and at once notify the Indian Commissioner at Regina of the fact. You will be good enough to acknowledge receipt of this letter and to advise the Department of the receipt of the samples which will be sent to you by express.

Rev. Sir,

Your obedient servant

for the Deputy of the Supt. Genl.
of Indian Affairs

P.S.

I have to remind you that the
measurement of whole pieces of cloth
and the weight of whole packages of
groceries is to be accepted as indicated
upon the ticket or box and that in
cases where whole pieces or packages
are accepted slight discrepancies

between the total weight or measure-
ment of the articles themselves and
the quantities named in the schedule
are not to operate to the prejudice
of the Contractors to whom receipts
for the quantities actually delivered
are to be given. as for instance
100 yards factory cotton are asked
for but the Contractor might be
obliged to send 2 pieces of 45 yards
~~and one piece of 30 yards~~
each, in which case you would
grant a receipt for 90 yards
